Detached property built on a large plot of 850m, in the quiet urbanization of Lomas del Rame, very close to La Serena Golf course and just 5 minutes' drive from the centre of Los Alcázares town and very close to the bus stop with buses into Los Alcázares every hour.

From the entrance of the property there's a hall giving access to a bright living dining room with fireplace, a spacious kitchen with separate pantry and laundry room and with a side gallery leading to the back garden. From the entrance hall there is also a corridor that leads to a family bathroom, the three bedrooms, all with fitted wardrobes and the master bedroom with a bathroom en-suite.

In the garden there is a big wooden garage with space for two cars and also a large storage room, the garage door and the gate to the street are both electric.

The rest of the plot has many fruit trees and an orchard area and there is also enough room for a pool if desired.
