This complex of new luxury villas for sale in Calpe offers residents the privilege of living on a select estate of only 6 villas with panoramic views.

Construction of the new luxury villas in Calpe has already started and the villas will be each completed from summer 2021.

Located within a short drive of the popular Spanish resort town of Calpe, these villas are under construction of impressive plots that enjoy panoramic views of the Ifach headland mountain, the skyline of Calpe, the marine reserve and the sparkling Mediterranean sea.

All the villas are constructed to slightly different designs and sizes but each retain the same design ethic of simple lines, bright open spaces that all take advantage of the panoramic views from the plots. Each villa will have sunny south facing terraces that open from the living rooms via large floor to ceiling patio doors and feature infinity swimming pools and out door kitchens.

Each new luxury villa for sale in Calpe will be finished to an excellent standard and are being constructed by a local reputable constructor with all the expected modern conveniences such as underfloor heating, UV resistance security double glazing, ducted air conditioning and electric sun shades. The villas are controlled by demotic systems that allow you to control your villa from your smart phone.
