Property and Location: Modern Villa with Sea Views on Costa Blanca; This outstanding new build villa is being constructed in an exclusive residential area in between El Campello and Villajoyosa. The area is well connected to other major towns such as Alicante and Benidorm. The airport at Alicante is just over 30km to the South and the Sierra Cortina Resort with its Golf Courses and Spa Hotel and major tourist attractions is only 22km to the North.

Distribution: The inside of the property can be accessed either from the subterranean garage or from the front door. In this description we will enter through the door which opens into a reception area. Immediately to the right are the stairs which lead either to the upper floor or the basement garage area. At the far end of the entrance hall is a courtesy bathroom and an adjoining laundry and storage area. The main living-dining-kitchen area with access to the garden area and views over the bay takes up the remainder of the ground floor. The first floor comprises of the master bedroom with a dressing room and ensuite bathroom plus the remaining two bedrooms and a further bathroom. Down below in the basement the garage provides enough space for two vehicles plus a large storage room.

Summary: Modern Villa with Sea Views on Costa Blanca; Even though this amazing property is so well connected to the surrounding areas that you can reach many major attractions and towns in a very short amount of time it is none the less in a quiet residential area which means you can truly benefit from the best of both worlds and as it benefits from outstanding views you really are buying a unique piece of real estate. So if you are searching for something special on the Costa Blanca then this property should be top of your viewing list.
