Property and Location: New Build Apartments on the Orihuela CostaThis new phase of 2 bedroom 2 bathroom apartments being built on the Orihuela Costa is fresh on the market so there is still plenty of choice. If you know the area you will know that you have everything necessary for an enjoyable stay right on your doorstep Distribution:There are various models available over the four floors, ground, first, second and third. The following layout and the price quoted are for a standard model on the first floor. From the landing the front door opens into the main living-dining-kitchen area with access to the balcony. Immediately to the left is an arch leading through to the first bedroom on the left and the first bathroom on the right. Moving forward is the master bedroom which benefits from its own ensuite bathroom.Summary: New Build Apartments on the Orihuela CostaFor many years the Orihuela Costa has been a popular destination for people from all over Europe and this popularity seems to be increasing and this is not surprising when you remember what it has to offer. There are 3 golf courses in the immediate area an almost endless amount of Bars restaurants and other forms of entertainment plus the La Zenia Boulevard shopping centre and the local beaches and on top of this just a few kilometres away is the seaside town of Torrevieja. So it goes without saying that these new homes are ideal for holiday or starter homes and will also surely provide a solid return on your investment if you re thinking of a buy to let. Whichever of these options may be in your mind, if you re thinking of looking at real estate on the Costa Blanca then these apartments should be high on your viewing list.If you d like more information or to arrange a viewing contact us and we ll be glad to help you. Features Great Rental PotentialClose to AmenitiesClose to Golf Close to the BeachClose to Public TransportCommunal PoolParking Pre-Installation for Air-CoShower ScreensEnsuiteAutomatic Blinds
