On offer is a very attractive project of a grand villa to be developed in Atalaya de Río Verde, a tranquil residential area close to Puerto Banus. The neighbourhood stands out for its important villas, large gardens, well-kept streets and privacy. All spaces in this house will be large, yet maintain the feel of a friendly family home. The emphasis is put on large floor to ceiling windows to allow fusion with the exterior. Two large bedroom suites are the commanding spaces on the upper floor. The ground floor offers two well defined areas, the east wing containing three bedroom suite... (Ask for More Details!)

On offer is a very attractive project of a grand villa to be developed in Atalaya de Río Verde, a tranquil residential area close to Puerto Banus. The neighbourhood stands out for its important villas, large gardens, well-kept streets and privacy. All spaces in this house will be large, yet maintain the feel of a friendly family home. The emphasis is put on large floor to ceiling windows to allow fusion with the exterior. Two large bedroom suites are the commanding spaces on the upper floor. The ground floor offers two well defined areas, the east wing containing three bedroom suites and the west wing offering a very large kitchen, service kitchen and lounge area, the link between these two areas is the main living room with large fireplace.
