This urban plot of 160m² is for sale in the village of El Vergel, Alicante. It is ideal for the construction of a detached house or a building of up to three floors. The plot has electricity, water and drainage ready for connection. Although you can choose your own builder, we can help you with the design, planning and construction of the building. This totally flat plot offers beautiful views to the well known Sierra de Segaría Mountain Range, a natural green area and to the village. Located at just 5 minutes drive from the beach of El Vergel, its location is ideal since it is very close to the centre of the village and within easy access to all amenities.

This is a very privileged part of Spain to live in due to its warm climate, lovely beaches, impressive mountains and beautiful national parks. The aforementioned Sierra de Segaría is one of the two natural elements that mark the personality of El Verger together with the river Girona. It is a mountain range that stretches from NE to SW. It is also just a short drive from the main cities of Alicante and Valencia.
