This is a villa with six bedrooms, three bathrooms, living room and kitchen as well as a garden with private pool with salt water generator and exit to the beautiful promenade. The plot is about 1290 sqm with large terrace areas and artificial grass with many trees and palm trees. Parking for four cars under the roof is available on the plot. The villa has an older charm with exposed beams, plastered stone walls, classic floors and ...(Ask for More Details!)

Unique villa with pool and fantastic location next to the sea in Punta Prima A warm welcome to this unique villa with a fantastic seafront location in Punta Prima. This is a villa with six bedrooms, three bathrooms, living room and kitchen as well as a garden with private pool with salt water generator and exit to the beautiful promenade. The plot is about 1290 sqm with large terrace areas and artificial grass with many trees and palm trees. Parking for four cars under the roof is available on the plot. The villa has an older charm with exposed beams, plastered stone walls, classic floors and nice windows. This is a home that must be experienced, so contact us for more information or to book a tour. Property tax (IBI): 709 euros / year Year of construction: 1989 Energy certificate: Ordered PUNTA PRIMA is an area just south of Torrevieja that has been established since the 90s but has during the 2010s grown enormously with exciting new production. In several parts of Punta Prima, we find full-time housing that helps the area stay alive all year round. The popular restaurants Nautilus and Restaurant Punta Prima, both with fantastic views of the Mediterranean and of course really good food.
