Here you also live at a comfortable distance from the beach and a large selection of shops, restaurants and cafes. Good communications by tram (TRAM). The apartment has a garage space and a storage room.

In the common area there is a pool in a nice location.

The apartment is on floor three of five, elevator available. It has a good floor plan and spread over about 112 sqm there are three bedrooms, two bathrooms, living room and kitchen. In addition, there is also a large and spacious terrace of about 20 sqm with a nice view.

The living room has an inviting feeling with plenty of space for both a living area with sofa and TV furniture and a dining area for four or six people. From the living room you reach the spacious terrace where there is plenty of space for a seating area or lounge furniture.

The kitchen is well-disposed and has good storage options in upper and lower cabinets as well as good work surfaces. From the kitchen a patio is reached.

Three spacious bedrooms with quiet locations and comfortable light flows. The master bedroom has space for a double bed and bedside table, this room also has a private bathroom en suite and a private exit to the terrace. The bathroom is equipped with double sinks, toilet and shower.

The other two bedrooms also have the lightly furnished surfaces, one is today furnished as a living and working room while the other is furnished with a bed and storage furniture.

The shared bathroom has a light color scheme and is equipped with toilet, sink and bath.

In short: A homely accommodation with a large terrace and many positive features. Contact us at HusmanHagberg for more information or to book a tour.
