Apartment at central address in Torrevieja with large terrace of about 74 sqm and sea views. A warm welcome to the center of Torrevieja and this well-planned apartment located on floor five of five (elevator available). Here you live close to nice beaches and a large selection of shops, restaurants and cafes. In the city of Torrevieja there are also good connections by bus and airport bus to the airport in Alicante. For those interested in golf, there are a large number of golf courses a short drive away.

The apartment is about 82 sqm, has a private terrace of about 74 sqm and a garage space. The terrace offers views of the Mediterranean Sea and the surrounding area. There are three bedrooms, two bathrooms, living room and kitchen. This is a homely apartment with a generous amount of light, inviting feel and lightly furnished surfaces.

The living room is spacious, has a large light entry and has access to the terrace. The room has plenty of space for a seating area and a dining area. The kitchen is space efficient and has good storage options in both upper and lower cabinets, the kitchen also has an exit to the terrace.

Three bedrooms in high positions and with comfortable light flows, the master bedroom is furnished with a double bed and bedside tables and it also has a private bathroom en suite. The other two bedrooms are furnished with a double bed and two single beds.

Both bathrooms have light colors, one is equipped with toilet, sink and bath while the other has a toilet, sink and shower.

There is also a shared roof terrace in a sunny location.

You are welcome to contact us at HusmanHagberg for more information or to book a viewing, we also carry out digital screenings if you do not have the opportunity to be on site.
