These spacious modern homes are located close to the inland village of Busot and are very well connected to the surrounding areas, including the city of Alicante, Bonalba Golf Course, the beaches at El Campello and San Juan, plus of course Alicante Airport. The properties are situated in a quiet street and are perfect for full time living or long relaxing holidays. In this project you can choose from a single or two level home and there are images of both types in this listing, the following distribution is for the two storey model: At street level a pedestrian or vehicle gate gives access to the plot where a tiled pathway leads to the rear of the property and the main entrance. Here the front door opens into a hallway with the kitchen to the left and the storage and laundry area to the right. Moving forward, immediately to the right are the stairs to the upper floor and further from here the first two bedrooms and bathroom directly opposite these is the main living area. The first floor comprises of a large master bedroom with access to the solarium a dressing room and an ensuite bathroom. Finding new build properties with large gardens is not easy at present but these top quality homes in Busot offer you exactly that. They are ideal for full time living and due to their proximity to the surrounding town with all of the amenities and facilities on offer provide a perfect place for young families to start a new life in Spain. So if you are looking to relocate to Alicante or want to buy a spacious holiday home in Spain then these properties should be top of viewing list.
