Stunning Unique property brimming with charm and elegance set on two, large, completely private plots within easy reach of all Calpe has to offer. The main entrance leads to into a large, airy elegant lounge dining area dominated by sweeping staircases. Leading from there is a library/office, a fully equipped kitchen, a typical Valencian kitchen/bodega, 5 double bedrooms (some with aircon) 3 bathrooms with either a shower, a bath or both. The staircases leads to the first floor where there is a large Master Suite with private terrace offering views over the beautiful Mediterranean gardens, Calp...(Ask for More Details!)

Stunning Unique property brimming with charm and elegance set on two, large, completely private plots within easy reach of all Calpe has to offer. The main entrance leads to into a large, airy elegant lounge dining area dominated by sweeping staircases. Leading from there is a library/office, a fully equipped kitchen, a typical Valencian kitchen/bodega, 5 double bedrooms (some with aircon) 3 bathrooms with either a shower, a bath or both. The staircases leads to the first floor where there is a large Master Suite with private terrace offering views over the beautiful Mediterranean gardens, Calpe and the sea. Outside the main house there is a staff entrance leading directly to the kitchen and a shaded barbecue area with all facilities. Entrance to pool terrace is from the lounge where you will find two pools and a fountain. This in turn leads to a recreation of a typical Spanish town plaza with covered dining areas, a fully equipped kitchen, a cinema, a chapel and more. There is a large driveway with parking for several cars and a car port. Underneath the plaza there is a guest apartment with 2 bedrooms, a large lounge and bathroom. There is a fitness room with bathroom facilities. There is another one bedroom, one bathroom apartment and yet another separate study/lounge with bathroom facility. Also, a very large double garage with extra height and separate entrance. All of this is surrounded by manicured gardens. The property benefits from its own water supply. The possibilities are limitless as it is situated on 2 separate plots and there exists the possibility to add a third plot with a completely separate property.
