Great opportunity to invest in new build property by the sea.
On offer are 2/3 bedroom new build apartments, in a residential development in Santa Pola.
Santa Pola is a well-known coastal town in the province of Alicante.
The development consists of three blocks with a total of 95 properties; block 1 with 35 properties, block 2 with 25 properties and block 3 with 35 properties. On the 1st to 4th floors there are 2 and 3 bedroom homes. The apartments on the 5th floor have a private solarium with independent internal access to the roof. 
The perimeter is enclosed with a concrete wall and security locks. It has pedestrian access from the street. The residence has green areas, an allocated area for bicycle parking and a children s playground.
The swimming pool has a beach-type access, shower facilities and there is a large wooden pergola. There are landscaped areas with palm trees and other vegetation, all of which is illuminated. In the central part of the pool there is a shallower area where the water beds are located.

These properties are within walking distance to a sandy beach, and very close plus local shops, bars and restaurants.
Santa Pola lies approximately 20km to the south of the city of Alicante and 15km south of Alicante Airport.
These large properties are perfect for holidays, full time living, or the holiday rental market. For more information contact us today.
