This magnificent villa is located in one of the best avenues in Hacienda las Chapas, Marbella and consists of 7 bedrooms, 8 bathrooms and guest toilet. South orientation, with private swimming pool, garage (10 parking spaces) and private tropical gardens, This impressive estate has the most incredible panoramic views of the sea, mountain, pool and gardens from almost every room of the property. The gardens boast a very large pool with Gazebo and outdoor gym and a large covered area with full size BBQ and seating area – all with Lumon glass so can be removed or stacked back in the summer months. There is also a smaller heated pool near the BBQ area. The property was designed by the famous architect Carlos Lamas and consists on the entry level with a large open plan kitchen and laundry area; a well appointed living space with spectacular views which leads to the wrap around terraces; 2 bedrooms and one of the most incredible entertainment areas one will ever see. A full cinema room with state of the art sound system which leads into a full size bar that one would normally see in a 5 star hotel. In this area there are also separate toilets and another smaller games area. The lower level is also underfloor heated. The property has Sonos sound system inside and outside in the gardens. On the first floor are located the master bedroom and a further 3 bedrooms en-suite and a gym and library. The property also has a guest apartment accessible by private entrance. On the top level of the property is a full sized tennis court and sun bathing area with the most spectacular views available on the costa del sol. This is an exceptional property in immaculate condition.
