This is a new residential development of apartments with 3 bedrooms and penthouses with 4 bedrooms and 2 to 3 bathrooms, only a 4 minute walk away from the sea front promenade and 3 minutes from the ancient part of San Pedro de Alcantara. The homes are designed to provide maximum comfort for their residents, with a selection of top-quality materials from prestigious brands and a carefully considered design. They boast a perfect air conditioning system, which adapts to the temperature during the colder months as well as the warmer ones and have optimal soundproofing between the homes and the exterior. Constructed in compliance with the regulations contained in the new Technical Building Code (CTE), these homes are at the forefront of the market, providing the highest levels of energy efficiency.
