Electric radiators and open fire

The village of Yeste is a tourist location offering many activities to visitors. The town is well supplied with restaurant/bars and shops, schools and 24hr medical centre. The village hosts various traditional 'fiestas' throughout the year, including a medieval traditional fair. The River Segura runs close and the town has a white water rafting and canoeing centre as well as equestrian centre and many designated walking routes. Suit walkers, climbers, artists, writers, nature lovers..& many others..
