. A Paradise for horse lovers, the purchase of this country cottage includes rights to stable 2 horses, and has use of sandschools This newly restored house is set within its own ground located on the edge of riding school grounds and by a woodland stream. The school is popular for trekking, being located within glorious mountain routes. Two other houses nearby, belonging to the school /stables, so security for your property and horses is assured. The stables boasts 2 champion horses in addition to horses for trekking, and the stables will care for your horses in your absence, at economic cost. Truly a unique opportunity and a Paradise location in the heart of traditional, unspoilt Spain, and yet only 3 hours pleasant drive inland from Alicante. Not to be missed !
