Situated a 3- 4 minutes by concreted driveway from JARTOS which is a small hamlet 10 minutes from Yeste village with its castle, and all its amenities. Bus from Jartos to town everyday. All round views. Two plots in the sale, separated by a track (very very quiet). One is adjacent to water and elec supply, now a few crumbling walls almost for total rebuild, the other is a detached building constructed in the old "de maestro" way. One plot approx 50sq.m the other approx 80 sq. m. Surrounded by uninterrupted mountain scenery and just a few steps away from walks into tracks passing through almond groves and mountain scenery..
