On the borders of castilla- la mancha and eastern Andalucia at the small rural hamlet EL PLAÑEL is this splendidly situated finca surrounded by mountain walks and totally unspoilt scenery. This is rare opportunity to purchase a very spacious house with mains water and electricity. With its additional 5 hectareas of productive olive trees and half a hectarea of pine trees, this property is eminently suitable for a retreat bed and breakfast. The nearest small town YESTE with its ancient castle, shops bars and restaurants is half an hour beautiful mountain road drive away and also food and other services can come to the your door weekly if required. A very hassle-free and pleasant way to live for those seeking an old-fashioned tranquil way of life in deep unspoilt Spain.
